**Subject:** Transgender participation in secondary schools bill

Bernie,

Attached is a draft of an originating bill regarding transgender participation in sports. I kept it short: There are obviously certain things that would need to be handled in a rule, unless you have language that you would like to see in the bill. Please let me know your thoughts and if there are any unintended consequences. The Chairman does not want to keep girls from participating in boys sports when there are not girls teams.

Thanks,  
Melissa
